## Lehrveranstaltungen mit internationalem Bezug auf Englisch

### Campus München – WiSe 2019/20

---

Als Teil der Internationalisierungsstrategie *Internationalisierung@home* werden an der KSH im Studiengang BA Soziale Arbeit Veranstaltungen (Regel- und Blockveranstaltungen) zu internationalen Themen auf Englisch angeboten. Die Themen sind Migration und Flucht, Geschlechterverhältnisse, Soziale Arbeit mit Minderheiten, Kinderschutz weltweit, Interkulturelle Kommunikation und vieles mehr. Dadurch könnt Ihr Euch mit internationalen Themen und Englisch auseinandersetzen, ohne z.B. an einer Semestermobilität teilzunehmen. Die Veranstaltungen dienen natürlich auch der besseren Vorbereitung auf ein Theorie- oder Praxissemester im Ausland. An allen Veranstaltungen nehmen Studierende unserer ausländischen Partnerhochschulen (Erasmus incomings) teil, die ein Semester auf Englisch an der KSH studieren. Dies ermöglicht Euch, Kommiliton\*innen z.B. aus Spanien, Italien, UK und Schweden kennen zu lernen und gemeinsam zu lernen.

Alle englischsprachigen Veranstaltungen finden immer im WiSe statt und sind in verschiedenen Modulen angesiedelt. So könnt Ihr ab dem 1. Semester von diesem Angebot profitieren. Insgesamt gibt es zwei Veranstaltungen in Modul 4.1, zwei in 4.2, eine in 2.7B, zwei in 3.9, fünf in 1.3C und drei in 5.3C.

Traut Euch, diese Veranstaltungen zu belegen, auch wenn Sie auf Englisch durchgeführt werden. Die Lehrenden wissen, dass Ihr keine „native speaker“ seid und nehmen darauf Rücksicht. Außerdem müsst Ihr in diesen Veranstaltungen keine Prüfungen machen, sondern könnt auch „nur“ Teilnahmen erwerben.

Alle Lehrveranstaltungen mit Inhaltsbeschreibungen sind im Vorlesungsverzeichnis aufgelistet. Hier findet Ihr aber Hintergrundinformationen zu den Gastprofessor\*innen und Praktiker\*innen, die im WiSe 2019/20 an der KSH auf Englisch lehren. Viele kommen extra für die Veranstaltung angereist und wir vom International Office sind sehr stolz, solche spannenden und interessanten Lehrenden gewinnen zu können. Daher bitte auch immer die Veranstaltungen besuchen, das gebietet schon das Prinzip der Höflichkeit und Gastfreundschaft.

Und als erste Kostprobe sind nun alle weiteren Informationen auf Englisch aufgeführt.

**Enjoy reading!**

Anne Brandt Christensen, a B.A. and M.A. holder in Law (University of Copenhagen), admitted to the Danish Bar, licensed to practice as Advocate, has worked in the anti-trafficking field since 2007, including for the Danish Red Cross, and is recognized as an expert in the field nationally as well as internationally. She has met and listens to hundreds of trafficked men and women, provided direct support, legal assistance and lobbied for rights of trafficked people and awareness about the realities of trafficking at public and political level. She was awarded the European Crime Prevention Award in December 2014 for work through the non-profit anti-trafficking NGO HopeNow which she chaired for eight years and nominated in 2016 by the Danish government as an expert for GRETA under the Council of Europe. For a decade, Anne Brandt Christensen has been teaching young people from all over the world about trafficking in a global context, sharing her in-depth knowledge of trafficking and protection of human rights, both in theory and practice.

Michelle Mildwater is director of the grass roots anti trafficking NGO HopeNow Copenhagen which she founded in 2007 . She represents Denmark in Brussels twice a year at the EU civil society platform which combats Human trafficking, has a degree in teaching from London University and an eight training in different branches of psychotherapy including trauma therapy. HopeNow is one of four NGOs in Denmark with a mandate from the Danish Ministry of gender to find, establish, identify and provide services for trafficked people. With a focus mainly on West and East African trafficked persons, services have also been provided for South-American and Asian Victims of Trafficking. Supportive work was done with hundreds of trafficked women who were controlled and coerced by ju-ju by their traffickers, made vulnerable to trafficking due to accusations of witch craft against them in their country of origin. Since 2007, staff of HopeNow continued to learn by doing, putting practice into theory and theory into practice, endeavor to develop, innovative psycho social methods, which combine the use of cultural mediation and the active use of peer group workers in order to establish trust and empower clients, who often are suffering from multiple forms of trauma. A dynamic, non judgemental approach using narrative therapy and trauma therapy inspired by the work of Dr Peter Levine and Dr Diana Poole, with Michael White as the hall mark of approach.
